MAKING THE CASE FOR ENERGY SAVINGS

Project Highlights

- Projected energy savings of 75% Annually, over \$70,000/year
- 3X Higher Light Levels
- Better Light Distribution
- Better Quality of Light
- Duke Energy Custom Incentive of over \$20,000 awarded for the project
- 20+ Years Maintenance Free

“F.D. Lawrence did a great job of providing a solution to achieve our goals, and managing the project from start to finish. They even helped us secure an incentive of over \$20,000 from Duke Energy to partially fund our upgrade.”

Brandon Quillen, Director of Operations -Newport on the Levee
